PRESS RELEASE

Miles Nelson's new Coastal Handle Range "Made to withstand extreme environments"

Miles Nelson is pleased to announce the launch of their new contemporary Coastal stainless steel handle range.

Made from solid stainless steel they are presented for the most demanding environments.

Designed to compliment traditional and modern style homes with long lasting and durable elegance.

These handles are sturdy and finely crafted from stainless steel and reflect modern European design's with simple straight lines and subtle brushed metal tones that coordinate well within the home.

Concealed fixing, screw on cover plates and new square design's complete the new product range.

HARDWARE OF DISTINCTION

Available in 7 styles the new clean, sleek look of the coastal range will add a dramatic and coordinated look to any interior by combining elegance with the strength and functionality.

These products are available now from Miles Nelson.
