Narrow Style Door Handles

MNC plate furniture is made from solid brass casting and milled for strength.

The quick handing change design speeds up the installation process while the compression spring system increases durability.

These levers are disability compliant and designed to work with MNC2200 series mortice locks.

The spindles and springs allow the handles to work on door thickness 35mm to 60mm.

Factory Testing		Pass/Fail
Factory Cycles Tested	350,000 cycles	PASS
Salt Spray Test	120 hours	PASS
Matt black powder coat - Alcohol rubbing test	1500 cycles	PASS

Finish	Identifier
Satin Chrome	SC
Matt Black	MB
